

2009 Delaware Invitational College Exposure Tournament Registration Form July 17-19, 2009

General Information

Delaware Invitational Tournaments, Inc. will be hosting its 11th Annual 18U ASA Delaware Invitational "College Exposure" Tournament and NFCA Recruiting Camp. Last year, more than 100 college coaches registered and/or received results of the recruiting camp participants and more than 90 attended some portion of the tournament. All of the college coaches had the opportunity to see our young female athletes in action. We fully expect to have another successful year. The camp will be on Thursday, July 16th, 2009.

The tournament will be held Friday, July 17th through Sunday, July 19th.

PARTICIPATING TEAMS MUST BE ASA-REGISTERED AND HAVE THE ABILITY TO PLAY TWO GAMES ON FRIDAY DURING THE DAY WITH THE POTENTIAL TO PLAY AS EARLY AS 8:30A.M.

Strict ASA Rules will be followed. Each team is guaranteed five games. Each team will play four pool play games and will be seeded for single elimination championship play which will begin Sunday morning.

Tournament registration fee is \$650.00 per team. The fees will cover umpires, balls, prizes for the winning teams, and \$100 will be donated to the McKenzie Travis College Softball Scholarship Fund. This year we are giving out nine scholarships; two for Delaware High School graduates, one for a Delaware resident currently in college playing softball, one for a tournament player, one for a camp participant, and four at large scholarships. Applications will be available on our website by February 1, 2009. Entry fees are non-refundable. The registration deadline for this year is January 1. All registrations received by this date will be reviewed by a selection committee and all teams selected will be notified by January 15th. All teams not selected will be mailed their refund by this date. Once all teams are selected they will be posted on the website www.delawareinvitational.org. Tournament is limited to 64 quality teams.

We will continually be updating the website with pertinent information regarding the tournament including directions, brackets, lodging, participating teams, attending college coaches, forms required from participating teams, scholarship applications, etc. so please check the site periodically.

Strong teams with a proven track record that have previously participated in this tournament will be given preferential consideration. If you are new to this tournament please provide some background information on your team when submitting your registration, i.e. the

number of girls that will be seniors in the fall of 2009, proof that you have played in the past or will be playing in 2009 an ASA-dominant schedule, etc.

Please address any questions to John Travis via email at deinvtourn@comcast.net.

Thank you!
